

Internship Final Report

Please answer the following questions relating to your internship experience. These questions are not designed to be inclusive so we expect you to incorporate other matters regarding the experience. Your final report is due before the last day of your internship and a copy should be given to your agency supervisor. Minimum length is five pages.

1. Did you achieve your internship goals? If not, discuss why.
2. What type of training or orientation did you receive? Was it adequate to perform your job?
3. How did your responsibilities and duties change during the course of your internship?
4. What did you learn from your special project?
5. Did you have any problems or communication barriers with your agency supervisor? If so, how were they solved?
6. Did you receive adequate supervision from your university/department supervisor? If not, how could it be improved?
7. Was the site visit (if applicable) helpful to your overall internship experience?
8. Would you recommend this internship agency to future students? Why or why not?
9. What classes or course work best prepared you for your internship?
10. What recommendations would you give to the Department of Recreation, Parks and Tourism for curriculum improvement?
